Mr. Dunham Appointed Curator

ON November 12, 1942, by action of the Committee on the Museum, Mr. Dows Dunham was appointed Curator of Egyptian Art. Actually, as Associate Curator, he had been doing the work of Curator since 1936. He entered the Museum service as a member of the Egyptian Expedition in 1914-16. From 1917-19 he saw active service in the War, and returned to the Egyptian Expedition from 1919 to 1923. From 1924-25, he was in the service of the Egyptian Government as excavator at Saqqarah, and from 1925-27 he returned once more to the Museum's Expedition. Since then his work has chiefly been in the Museum. He was appointed Associate in the Department of Egyptian Art in January 1915, Assistant Curator in 1920, and Associate Curator in 1936.

The BULLETIN of the Museum

AS an economy measure, for the duration of the war, the *Bulletin of the Museum of Fine Arts* will be issued four times a year instead of six. This will mean the omission of the April and August num-

bers, and issuing the BULLETIN in February, June, October, and December. These are the months when there is apt to be most material, and when the BULLETIN is most apt to reach the greatest number of our members. G. H. EDGELL.
