| <p>1 Variability in the dimensions of chapels, corridors, and porticoes. (p. 16)</p> <p>2 Measured drawing of the upper part of shaft 2093 a, showing depressions for footholds or possibly scaffolding. (p. 18)</p> <p>3 The heights of the base of carved decoration above the floors of the chapels. (p. 20)</p> <p>4 The chronological relationship of the mastabas. (p. 24)</p> <p>5 Construction during the early part of Phase i. (p. 25)</p> <p>6 Construction during the later part of Phase i. (p. 26)</p> <p>7 Construction during the early part of Phase ii. (p. 28)</p> <p>8 Construction during the later part of Phase ii. (p. 30)</p> <p>9 Construction during Phase iii. (p. 32)</p> <p>10 Construction during Phase iv. (p. 34)</p> <p>11 A plan of the Western Cemetery at Giza, showing the tombs of palace attendants in black. (p. 41)</p> <p>12 A histogram of original mastaba areas. (p. 50)</p> <p>13 Mastaba areas, as a function of the rank of the owner. (p. 51)</p> <p>14 The development of the cluster showing the rank of the builders, ordered chronologically, according to the conclusions in Chapter 2. (p. 52)</p> <p>15 Chapel plans arranged into groups corresponding to the original areas of their mastabas. (p. 53)</p> <p>16 The linear extent of the decoration, based on the surviving remains. (p. 54)</p> <p>17 The area of the serdabs, in chronological order. (p. 56)</p> <p>18 Comparative areas of mastaba superstructures to volumes of shafts. (p. 56)</p> <p>19 The subterranean volume of the principal tomb shafts, in chronological order. (p. 57)</p> <p>20 Drawing of loose lintel block, 39-3-7, based on the registration drawing. From south of g 2094. (p. 61)</p> <p>21 Fragments of bread molds and beer jars from north spur wall of g 2084. (p. 62)</p> <p>22 Outline and shaft plan of g 2084. (p. 64)</p> <p>23 Drawing of loose block with chevron pattern, 32-2-12, based on the registration drawing. From g 2085. (p. 66)</p> <p>24 Outline and shaft plan of g 2085. (p. 67)</p> <p>25 Drawing from W.S. Smith's notes of painted fragments of gesso-covered wooden figures from the serdab of G 2086. (p. 69)</p> <p>26 Outline and shaft plan of g 2086. (p. 70)</p> <p>27 Outline and shaft plan of g 2086a. (p. 76)</p> | <p>28 Rim of Nile-silt ware jar (1989) and two model offering vessels and the rim of a bowl (1990), all from the surface of the body of g 2087. (p. 77)</p> <p>29 Outline and shaft plan of g 2087. (p. 78)</p> <p>30 g 2088: Small statue, 38-4-1, from the registration drawing. (p. 81)</p> <p>31 g 2088: (a) Fragment from a model of a woman grinding grain, 38-4-6, and (b) fragment of base of male servant statue, 38-4-11. Both are from the registration drawing. (p. 81)</p> <p>32 g 2088: Model of two women, one pounding grain and the other sifting, from the registration drawing. 38-4-2. (p. 81)</p> <p>33 g 2088: Model statue of a man cutting up a goose, from the registration drawing. 38-4-3. (p. 81)</p> <p>34 g 2088: Fragment of male servant model, from the registration drawing. 38-4-8. (p. 82)</p> <p>35 g 2088: Headless female statue, from the registration drawing. 39-4-25, 38-4-9, and 38-4-16. (p. 82)</p> <p>36 g 2088: Lower torso of female model, from the registration drawing. 38-4-7. (p. 82)</p> <p>37 g 2088: (a) Head of female statue, possibly a child, from the registration drawing. 38-4-10; and (b) fragment of a sidelock, 38-4-14. (p. 82)</p> <p>38 g 2088: Model of table with hand of servant attached, from the registration drawing. 38-4-17. (p. 82)</p> <p>39 g 2088: Fragment of model basin, from the registration drawing. 38-4-19. (p. 82)</p> <p>40 g 2088: Head from model of a woman grinding grain, from the registration drawing. 38-4-4. (p. 82)</p> <p>41 g 2088: Model of a man carrying jars, from the registration drawing. 38-4-5. (p. 83)</p> <p>42 g 2088: Fragment from the pleated kilt of a calcite statue, from the registration drawing. 38-4-31. (p. 83)</p> <p>43 g 2088: Base of model figure, probably female, from the registration drawing. 39-3-3. (p. 83)</p> <p>44 g 2088: Model figure of a man making beer, from the registration drawing. 39-3-4. (p. 83)</p> <p>45 g 2088: Fragment of raised relief, showing a man's belt, from the registration drawing. 39-3-2. (p. 84)</p> <p>46 g 2088: Gray pilgrim flask fragment, from the registration drawing. 39-3-1. (p. 84)</p> <p>47 g 2088: (47) Fragment of leg of a seated woman (?), 38-4-12. From registration drawing. (p. 84)</p> <p>48 g 2088: Fragment of an arm, 38-4-13. From registration drawing. (p. 84)</p> <p>49 g 2088: Fragment of the right hand of a larger female figure, 38-4-16. From registration drawing. (p. 84)</p> <p>50 g 2088: Arm fragment 38-4-18. From registration drawing. (p. 84)</p> <p>51 g 2088: Lower part of badly eroded male statue. 38-4-22. (p. 84)</p> <p>52 g 2088: Ostrakon, from the registration drawing. 38-4-26. (p. 84)</p> <p>53 Worked lithic material from the surface of g 2088 and the path to the south. (p. 85)</p> <p>54 Ceramic material from the surface of g 2088. (p. 85)</p> <p>55 Outline and shaft plans of g 2088. (p. 86)</p> |

|--|---|
| <p>56 Outline and shaft plans of g 2088a, g 2088b, and g 2088 S1. (p. 92)</p> <p>57 Alabaster cylinder jar from g 2089 a, with name and titles of Nefer-ked in hieratic. (p. 94)</p> <p>58 Outline and shaft plans of g 2089. (p. 95)</p> <p>59 Outline and shaft plans of g 2089a. (p. 96)</p> <p>60 Weathered torso of statue from south of g 2091. 35-3-5. (p. 98)</p> <p>61 Outline and shaft plans of g 2091. (p. 99)</p> <p>62 Upper torso of seated male statue from south of g 2092. 39-3-6. (p. 107)</p> <p>63 Alabaster model cylinder vessel from shaft g 2093 a. 36-8-4. (p. 107)</p> <p>64 Outline and shaft plans of g 2093. (p. 108)</p> <p>65 Model offering vessels of Nile-silt ware and similarly-sized sherds from larger vessels, noted in the fill of g 2092a in 1990. (p. 115)</p> <p>66 Outline and shaft plan of g 2092a. (p. 115)</p> <p>67 Limestone headrest with fluted support pillar, from shaft g 2094 a (36-9-1) and two Meydum bowls (36-9-2 and 36-9-3). (p. 118)</p> <p>68 Outline and shaft plan of g 2094. (p. 119)</p> <p>69 Lower part of Nile-silt ware beer jar from surface of g 2095 (1990). (p. 122)</p> <p>70 Outline and shaft plan of g 2095 and 2095'. (p. 123)</p> <p>71 Outline and shaft and serdab plan of g 2096. (p. 126)</p> <p>72 Fragment of alabaster vessel from g 2097 (a). 39-1-12. (p. 127)</p> <p>73 Outline and shaft and serdab plan of g 2097. (p. 128)</p> <p>74 Outline and shaft and serdab plans of g 2097'. (p. 136)</p> | <p>75 Model offering vessels and sherds from surface of fill of g 2097a and g 2097b (1990). (p. 139)</p> <p>76 Outline and shaft plans of g 2097a and g 2097b. (p. 140)</p> <p>77 Outline and shaft plans of g 2097c. (p. 141)</p> <p>78 Weathered unfinished limestone statue from the top of g 2098. 39-3-8. (p. 143)</p> <p>79 Outline and shaft plans of g 2098. (p. 144)</p> <p>80 Sides of the seat of a statue of Raramu from the serdab of g 2099. 39-1-17. (p. 151)</p> <p>81 Back pillar inscription of a statue of a young man from the serdab of g 2099. 39-1-19. (p. 152)</p> <p>82 Red-polished bowl from the debris of shaft g 2099 b. 39-1-20. (p. 152)</p> <p>83 Fragment of a Nile silt ware beer jar noted in the fill of mastaba g 2099 in 1990. (p. 152)</p> <p>84 Outline and shaft plans of g 2099. (p. 153)</p> <p>85 Objects recovered from the debris covering g 2230, including backdirt from the southern part of the Western Cemetery. (p. 156)</p> <p>86 Ceramics from the fill of shaft g 2230 c. All are red polished (Meydum ware) bowls. (p. 157)</p> <p>87 Two Nile-silt ware vessels recorded on the surface of g 2230 in 1989. (p. 158)</p> <p>88 Outline and shaft plans of g 2230. (p. 159)</p> <p>89 Outline and shaft plans of g 2231. (p. 161)</p> <p>90 Small limestone cup, perhaps in the shape of a fruit, from g 2240. 39-5-29. (p. 162)</p> <p>91 Outline and shaft plans of g 2240. (p. 163)</p> |
